## AAFT SCHOOL OF INTERIOR DESIGN

Welcome to AAFT School of Interior Design, where we believe that interior design is an ever-evolving field that holds immense potential for artistic expression and transformation. Our programs are meticulously designed to nurture and enhance the artistic qualities of our students, equipping them with the skills to make the best use of given spaces.

With a focus on contemporary interior design methods, we delve into the intricacies of color, lighting, layout, fabrics, and furniture, teaching our students how these elements can magically transform an empty space into a captivating living area.

A woman with long dark hair, wearing a bright blue sleeveless top and a large, ornate necklace, is focused on a craft project. She is seated at a table covered with various materials, including a roll of orange fabric, a small white container, and several small vases. In the background, there are more tables and what appears to be a workshop or classroom setting. The text "DESIGN SPACES THAT INSPIRE!" is overlaid on the right side of the image in large, bold, white capital letters, with a red diagonal shape behind it.
