ABOUT

AAFT SCHOOL OF FASHION & DESIGN

The School of Fashion and Design, under AAFT is one of the premier design schools in not only India but in Asia. Most students who wish to make a career in the fields of design aspire to study at AAFT.

Being associated with AAFT's film school, SOFD provides much broader spectrum of fashion education by catering to the need of film industry. School of Fashion and Design is committed to imparting quality and innovative education and prepares students to work in careers that require exceptional skill in these aspects.

We at SOFD offer a 6 month certificate course which promises to upgrade the skills of the students in the art of styling and the use of cosmetics to rev up the look. It will help to inculcate appropriate hygiene and makeup sense among the students.

MESSAGE FROM THE **PRESIDENT**

Dr. Sandeep Marwah

Fashion is not something that exists in dresses only. Fashion is in the sky, in the streets and has to do with ideas, the way we live and what's happening around us everyday.

Realising this, Asian Education Group is running its School of Fashion & Design at Marwah Studios, training students from all parts of the world to be more observant and creative, shaping them into dynamic fashionistas who would significantly contribute to the field of fashion. The School of Fashion & Design is diligently training the aspiring trendsetters on costume designing and innovations in the field of fashion. The school primarily focusses on the development of designing skills of the fresh talent. The school gives a platform to the aspiring fashion designers to create and exhibit their original work portfolio and also to collaborate and learn with the eminent designers in the industry.

CAMPUS

AAFT School of Fashion & Design is a **spacious high-end fashion education platform located at the heart of Film City** which is the biggest media and film production hub in North India. We believe that as an academic discipline, Fashion studies has become a vibrant area that incorporates creative, theoretical, historical and critical approaches to understanding fashion. Thus, relevant practical exposure is required along with theoretical concepts to impart comprehensive understanding of this craft. We have a modern and professional campus which boasts of all vital facilities that are important for the overall growth of the students. It is equipped with state-of-the-art infrastructure and extend innovative facilities that allow students to gain first-hand experience of the industry operations.

We have our own fully-equipped Makeup Studios. In-house activities, events, master workshops through industry experts and other hands-on activities are organized at the campus to provide real-industry experience to the students. They also get to work on Live Projects and participate in Global Fests. Students get to do makeup and styling and design different types of costumes and jewellery, and display them at various in-house Fashion Shows & Events. It also incorporates in-house production house and is associated with various forums & power houses like ICMEI, IFTC, Radio Noida, MSTV that are established to support the mission of imparting excellent education to the students at AAFT School of Fashion & Design.

INFRASTRUCTURE

Infrastructure plays a pivotal role in facilitating practical apprehension and adequate industry exposure to the students. Our campus boasts of all advanced practical labs that any good fashion school must have to foster relevant hands-on experience. We have our own **fully equipped Makeup Studio** with industry-relevant equipment. We also have a state-of-the-art Library with more than 4000 books and various magazines, newspapers, DVDs and eBooks on every aspect of makeup and styling. We keep ourselves up-to-date with the latest developments in the fashion world to ensure that our facilities provide comprehensive growth to the students.

Our advanced in-house makeup and styling studio along with facilities like online TV, fashion magazine, student clubs, etc. help students to embrace the skills for becoming a proficient Fashion personality. We also conduct several festivals that embrace the magic of fashion, film, television, digital technologies and literature. All these facilities pose an opportunity for the students to create and exhibit their work in front of the industry experts and Fashion fraternity. It also stages opportunities through which the aspirants can find out more about the career prospects in the fashion industry..

WORKSHOPS & WEBINARS

Workshops allow students to gain first-hand industry exposure, and thus, plays a pivotal role in imparting practical training. We continuously bring on board many renowned and award-winning industry experts who impart requisite hands-on knowledge to the students, preparing them for the future opportunities and challenges. It helps students to become capable for varied roles and responsibilities associated with the craft.

Students also get exposed to the historical and contemporary work across varied cultures, thus, getting the opportunity to learn different aspects of the makeup and styling industry. These workshops are conducted on varied topics that are integral to the comprehensive development of Fashion & Design students. During the workshops, experts demonstrate and endorse the actual processes and practices pertaining to the craft. The students enthusiastically attend these workshops as the industry experts share their knowledge and experiences with them.

We believe that the Seminars and Master Classes by popular industry experts are a great way to foster academic excellence and industry insights. In today's digital era, Webinars have immensely changed the way knowledge is being shared, making it possible to facilitate ideas, information and opinions in an engaging manner to the global audience.

We have organized numerous Seminars as well as Webinars with renowned national and international experts and celebrities such as Rita Gangwani, Prosthetics artist Saloni, Kryolan, Ritu Arora and many more. This provides students a relevant exposure to the broad spectrum of work, philosophies, ethos and culture in makeup and styling across the globe. These sessions help students to acquire in-depth knowledge of a particular topic, latest industry developments and new skills associated with the subject. This also escalates their networking opportunities. Industry insights and motivation by renowned experts can play a crucial role for students to embark their journey and sustain in the Fashion industry.
